Commission on Accreditation of Allied Health Education Programs

In January of 2015, CAAHEP made a change to Standard V.A.4 in the accreditation standards for all its professions. All programs must publish the 3-year review window average results of the outcomes for: National Registry Written, and Practical Exams, Retention, and Positive Placement. Below you will find each of them:

National Registry:	Written Exam	Practical Exam
2017	100% (9 out of 9)	100%
2018	100% (3 out of 3)	100%
2019	78% (7 out of 9)	100%
2020	60% (3 out of 5)	100%*

* Due to COVID-19 most of the students that were eligible to test in 2020 were not allowed to due to the shut down.

	Retention:	Positive Placement:
2017	62.5%	100%
2018	45.4%	100%
2019	68.4%	100%
